No. 1. "The Fur Pirates"

Alan Gray, free trader, beats up Dan Martin and Pierre Dupre, fur pirates, who accuse him of preaching. Helen Mears' father, manager of the powerful North Company Post, nearly loses his job because of the inroads made on the company's business by the Chester Post, Madge's freed trading company.

Bob Hunter, manager of the Chester Post, is fired for drunkenness, and tries to abduct Madge, but is beaten up by Alan, whom Madge appoints as Bob's successor. Dan and Pierre rescue Bob from the lock-up, steal Madge's furs and, pursued by Alan, canoe down the rapids. Unable to battle the current, all are hurled over a high waterfall.
